## DAY 2

---

### Visit of the Lourdes Sanctuary and Bernadette's shrine

In 1858 Lourdes rose to prominence in France and abroad due to the [Marian apparitions](#) seen by the peasant girl [Bernadette Soubirous](#), who was later canonized. Shortly thereafter the city became one of the world's most important sites of [pilgrimage](#) and [religious tourism](#).

Today Lourdes hosts around six million visitors every year from all corners of the world.

This constant stream of pilgrims and tourists transformed quiet Lourdes into the second most important center of tourism in [France](#), second only to [Paris](#), and the third most important site of international Catholic pilgrimage after [Rome](#) and the [Holy Land](#).

While we can arrange for a private tour of the Sanctuary and Shrine, most visitors explore the large grounds on their own, taking in the holiness of the place on their own, you'll be able to join the Mass & Blessing of the sick and rosary procession on your own
