DAY 2

Albi and Carcassonne

Pick up at your hotel by your driver-guide and drive over through the Gaillac vineyards to Albi, magnificent pink-bricked town on the banks of the Tarn.

Admire the fortified Cathedral of Sainte-Cécile , a masterpiece of the Southern Gothic style, before touring the Toulouse Lautrec museum in the old Bishop's Palace, imposing fortress (13th century).

You'll also have the chance to stroll around the beautiful Berbie gardens, giving you an amazing view over the Tarn river. In the afternoon, you will be heading to Carcassonne for a visit of the citadel which dominates the old town.

It's a town within a town, a maze of narrow cobbled streets within severe ramparts of thick walls. On our way back, we will stop at a viewpoint that gives you the opportunity to take pictures of the medieval village and the old bridge.

Back to Toulouse and overnight in your hotel.

Rocamadour, St Cirq Lapopie and Cahors

Breakfast at your hotel.

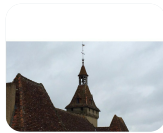

Pick up by your driver-guide to discover Rocamadour.

Built on the site of a shrine to a Madonna, the shrine became famous for its healing powers, and soon became a stop on the pilgrimage path to Santiago de Compostella. Situated up a cliffs side, Rocamadour offers a beautiful view over the Dordogne Valley. During a guided tour, you will discover the Saint-Sauveur Basilica as well as the Notre-Dame Chapel.

Continue your tour to St-Cirq-Lapopie, classified as one of the 'Most Beautiful Villages of France'. The narrow cobbled streets are lined with very beautiful half-timbered stone and wood houses dating from the 13th to 16th century. Enjoy some leisure time to stroll around the village.

Departure towards Cahors. Here you can admire one of the only medieval military bridges left in Europe, the Valentré bridge. Your guide will then take you up the Saint-Cyr Mountain to enjoy a fantastic view over Cahors.
